- Experience
- Exhibitions
- Stamp Fairs
- Auctions
- Circuit Books
- Library
- Speakers
- Identifying Stamps
- Stamp Collection Appraisals
- And more

Friendly Stamp Club

Mandurah Philatelic Society was formed in 1977 by a group of interested people to serve the needs of collectors in the Peel region and promote the hobby of stamp collecting.

We provide our members with the opportunity to meet with like-minded people and to share information about their hobby. We are also a great source of stamps for your collection.

Many collectors hesitate before visiting a stamp club because they might regard themselves as 'only beginners' or for other reasons. You need not think that way, because some of our best members are 'beginners'.

Join this club today and you will never look back. Stamp clubs are full of people from all walks of life who, just like you, enjoy collecting stamps.

All members of stamp clubs were beginners at one time, and most are more than willing to share their knowledge and experience with you.

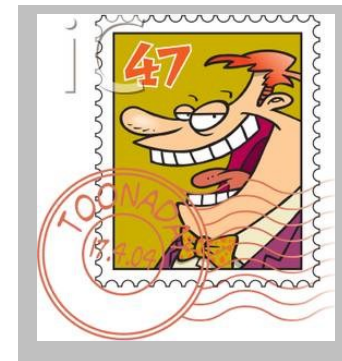

The members of stamp clubs cover the full spectrum of stamp collectors, from those who collect new issues from Australia Post to those who have only very limited stamp budgets through to those who exhibit at national exhibitions. All value the benefits of their stamp club membership, plus the friendships and contacts it brings.

Why join a stamp Club?

A stamp club provides a neutral meeting place for people of similar interests.

You can learn more about your hobby from speakers on specialist areas and from others with similar collecting interests.

You will have access to the club's library to help enhance your knowledge.

All Stamps are fun to collect.

*Joining
a Stamp
Club
puts life
into
your
hobby.*
